STATISTICAL INFORMATION

The statistical information contained in this Report is compiled from financial statements furnished by the various Cities, Towns, Villages and Municipal Districts, and covers the calendar year 1940.

Information regarding Improvement Districts is taken from departmental records and covers the fiscal year from April 1st, 1940, to March 31st, 1941.

Cities (7)

There has been no change in the number of cities.

Population again reflects an increase, being 1,600 over 1939.

Assessment.—As has been the trend of late years, land assessment shows a decrease while all other assessments have increased. In total there has been an increase of $882,000.00.

Taxation.—The steady decrease shown in the tax levies for the past four years has again taken place, although the decrease this year is only $58,655.00. The total decrease as compared with the year 1936 is $811,418.00.

Receipts.—Tax collections show an increase of $62,612.00 over last year.

Debentures.—Taking into account that City of Calgary School debentures outstanding were not included in the 1939 Report, but are in this Report, there has been a decrease in the total Debenture debt of $1,323,386.00. The Sinking Fund shows a decrease of $343,871.00.

Temporary Loans.—Reduction in temporary loans outstanding at December 31st, 1940, only amounts to $94,109.00 compared with that of December 31st, 1939.

Towns (53)

The actual figures in this Report refer to 52 towns only as the Town of Lloydminster reports direct to the Province of Saskatchewan.

Assessment.—The total assessment for towns shows an increase of $1,313,245.00 over the figures shown for 1939. This increase is principally in the business assessment, which shows an increase of $1,104,315.00.

Taxation.—The current levy made in 1940 shows an increase of only $7,629.06 over the 1939 levy. Collections show an increase of $8,183.36. Cancellations increased by $28,712.26 while discounts show a reduction of $2,620.51.

Receipts.—The total receipts in Towns show an increase of $216,872.49 over receipts for 1939. This increase occurs chiefly in Utilities, Assets Sold and Debentures. Loans Received show a decrease of approximately $9,000.00 from 1939. Receipts from trust taxes show an increase of $32,086.53.

Payments.—Payments for administration show a decrease of $4,465.70. These costs have been steadily showing a reduction in the past five years and have decreased about $50,000.00 over that period. Expenditures on Social Services and Grants, Aid and Relief show a very decided decrease, while expenditure on Public Works shows an increase of $68,598.04. Expenditures on Utilities show an increase of $74,228.48. Trust Taxes remitted show an increase of $29,437.15.

Assets.—A decrease of $21,415.00 is noted in cash on hand and bank, and decreases are also noted in uncollected municipal taxes, accounts receivable, utilities, sundry, and trust cash on hand and

in bank, and a substantial decrease of nearly $500,000.00 in fixed assets. Increases in assets are noted in debentures, inventories and supplies on hand, sundry trust assets and uncollected trust taxes.

Liabilities. — Total liabilities show an increase of nearly $100,000.00 over liabilities for 1939. Unpaid temporary loans have been reduced by $30,000.00.

Loans and Debentures.—There were $178,000.00 new debentures issued in 1940. Total outstanding debentures show an increase of $65,984.26 while outstanding temporary loans show a decrease of $30,000.00, as shown in above statements.

General.—During the five years under comparison the current levy shows only a slight increase.

Collections have shown a steady increase, rising from $854,654.73 in 1936 to $926,559.97 in 1940, an increase for the period of $71,905.24. During the period $464,577.55 of taxes have been cancelled and $281,907.36 has been allowed by way of discount. The cost of administration has been steadily reduced from $188,883.72 in 1936 to $138,681.77 in 1940.

Villages (145)

The number of villages has increased by two in 1939 by the addition of Grouard, which was reduced from the status of a town, and by the erection of the village of Tilley.

Assessment.—The total assessment again shows an increase of nearly $700,000.00 over the 1939 figures. This increase is on buildings and improvements by over $1,000,000.00, and a reduction in land values of $300,000.00.

Taxation.—The current levy shows an increase of $17,832.05, and collections only increased $3,036.35. Cancellations show an increase of $11,347.27. Outstanding arrears have increased by $37,683.03.

Receipts.—Receipts from municipal taxation have been practically the same for the past three years. Slight increases are noted in municipal revenue other than taxes, assets sold, debentures, and sundry. Trust tax collections show an increase of $4,231.70.

Payments.—Payments made on aid and relief show a reduction of approximately $11,000.00 under the figures shown for 1939. Administration and sundry show slight increases. Cash and bank balance shows an increase of nearly $30,000.00.

Assets.—The total assets show a steady rise in the past five years from $1,788,485.78 in 1936 to $2,280,510.61 in 1940. This increase is mainly shown in uncollected taxes both Municipal and trust, and is only an asset in so far as these taxes are collectible.

Liabilities.—The total liabilities have increased by $38,663.82, which is practically all in uncollected trust taxes. Uncollected trust taxes have increased steadily from $377,737.00 in 1936 to $556,562.37 in 1940, an increase of $178,825.37.

Loans and debentures.—Debenture liabilities remain practically the same as in 1939, while the temporary loans show a reduction of $859.17.

Municipal Districts (143)

During 1940 the number of municipal districts was reduced from 145 to 143 by the dissolution of Prairie Creek No. 343 and Rosen-

heim No. 361. No. 343 is now an improvement district and No. 361 was divided between Municipal District No. 391 and the Special District of Sounding Creek-Neutral Hills.

The total assessment shows a further reduction from the 1939 figure of nearly $19,000,000.00 due to the new assessment coming into effect. This reduction is chiefly in land values.

Taxation.—Although the assessment shows a large reduction, the current levy shows an increase of about $110,000.00, collections show a decrease of nearly $200,000.00, and the uncollected arrears show an increase of approximately $350,000.00.

Receipts.—Tax receipts show a decrease of $188,799.57 from the 1939 figures. All other sections also show decreases.

Payments.—Payments under administration, protection of person and property, health and public works, show a decrease of over $250,000.00, while the cash on hand at the end of the year also shows a decrease of nearly $70,000.00, while the payments on loans, social services and sundry show an increase of nearly $45,000.00.

Assets.—Total assets show an increase of more than $250,000.00, made up principally of uncollected taxes and fixed assets.

Liabilities.—Total liabilities show a decrease of $182,000.00, which is principally accounted for by a decrease in General accounts payable, health, deferred liabilities and loans outstanding. The only liabilities which show an increase are Social Services and Sundry.

Loans.—Municipal and hospital outstanding loans show reductions, while the school loans have increased by over $100,000.00 and seed grain by over $200,000.00.

Mill Rate.—In 1940, 58 municipal districts' mill rates remained
70 the same, in ~~128~~ municipal districts the mill rates were raised, and in only 15 were they lowered.

The average mill rate in 1940 was 10.5, and has increased one mill over that of 1939. It should be noted, however, that net total assessment for municipal districts has decreased approximately $17,000,000.00 in 1940, which would have some effect on the mill rate.

The apparent over-expenditure has been reduced from that of the year 1939, which is probably due not only to lower collections, but also because certain councils have curbed their expenditures owing to the war.

Municipal Hospital District Tax and Requisition Statement

The same remarks apply again this year with respect to the above statement in that some figures do not pertain to actual taxes levied but to the collection of moneys under a hospital agreement and the payment of hospital bills.

School Tax and Requisition Statements

The above statements show the standing of the municipal districts not only as regards requisitions and payments thereon, but also as to the tax position.

In the year 1940 a further two school divisions were in operation, which brought the total number to 46. This decreased the number of municipal districts not in school divisions from 5 in 1939 to 3 in 1940.

By the formation of the large division a number of schools which formerly levied and collected their own taxes automatically became requisitioning schools, thus increasing the amount of requisition made upon municipal districts. In practically every municipal district there were a number of self-collecting school districts as well as those which requisitioned on municipal districts.

In 1936 the total requisition made by rural school districts upon municipal districts amounted to $1,871,059.54. In the year 1940 the amount of school requisitions upon municipal districts by school divisions, and the few requisitioning school districts not yet in a division, amounted to $2,700,692.07.

Improvement Districts

In 1940 there were 246 improvement districts in which an actual expenditure was made, while in 209 of these districts a levy was made for improvement district purposes.

The total 1940 assessment of $71,580,347.00 shows a reduction from the 1939 assessment of over $3,000,000.00 due to the new assessment coming into effect.

The 1940 levy of $679,870.30 shows a reduction from the 1939 levy of approximately $21,000.00, while the 1940 collections, amounting to $495,759.64, show an approximate increase of $11,000.00 over the 1939 collections. Uncollected arrears in 1940 amounted to $1,406,963.19, an increase of $129,000.00 over the 1939 figure.

Improvement district tax mill rates were reduced in 11 improvement districts, while there were no increased mill rates. The average improvement district tax mill rate for 1940 was 9: 5 mills.

Cash receipts of Improvement Districts Trust Account amounted to $511,385.02, an increase of approximately $62,500.00 over that of 1939. Payments in the year 1940 totalled $505,640.79, representing a decrease of $42,700.00 approximately as against the 1939 payments.

Total assets of $1,768,994.11 in 1940 show an increase of $133,152.00 over that of 1939, while total liabilities of $1,774,635.74 in 1940 show a decrease of $62,900.00 approximately.

In addition to the regular statements in connection with taxation in improvement districts there has been included in this report for the first time, two new comparative statements. The comparative Improvement Districts School Divisions Tax Statement covers the years 1937 to 1940 inclusive. The number of School Divisions requisitioning on improvement districts has increased as follows: 1937, 8 Divisions; 1938, 11 Divisions; 1939, 26 Divisions; 1940, 28 Divisions. There were 106 improvement districts partially or wholly within the boundaries of School Divisions in the year 1940.

The comparative Improvement Districts Municipal Hospital Tax Statement covers the years 1936 to 1940 inclusive. The number of Municipal Hospital Districts requisitioning on improvement districts has varied as follows: 1936, 9 Districts; 1937, 8 Districts; 1938, 10 Districts; 1939, 10 Districts; 1940, 10 Districts. There were 33 improvement districts partially or wholly within the boundaries of Municipal Hospital Districts in the year 1940.

Comparative Statements

The comparative statements for cities, towns, villages and municipal districts for the past five years have again been brought up to date, and may we again state that in some instances these statements do not contain as many headings as the detailed statements for the cities, towns, villages and municipal districts, and it will be necessary in some instances to refer to the individual statements.

Respectfully submitted,

A. Soutter,
Deputy Minister.
